In today's worship setting, it is necessary to have a wide range of skills with regard to serving as a church accompanist. A member of the Worship Ministries Staff is available to lead a workshop or conference at your church or association on these topics: Reading chord charts or lead sheets, navigating today's modern worship music as a solo keyboardist (piano/organ/keyboard) or as a member of a worship band. Contact information is included below, should you desire to take advantage of these opportunities.

I still need your help. Please keep me up-to-date with your email addresses. This is the **ONLY** way that this booklet will reach you unless you do not have an email address. If that is the case, then you will need to let me know by calling our Worship Ministries office at 601-292-3272 (Wyndy) or 601-292-3267 (Cathy). This booklet is also online at www.mbc.org and will be available after Labor Day.

If at any time you have questions, concerns, or just need clarification of any information on this page, or in this Handbook, do not hesitate to call me at the above number, or email me here: wsouth@mbcb.org.

Blessings to you as you prepare students to participate in the 2023 festival. Locations are on page 3 of the booklet.

THE KEYBOARD FESTIVALS ...

The Keyboard Festivals are planned by the keyboard contract consultant, and the director of the Worship Ministries Department, MBCB. Throughout the state, they are ably assisted by ministers of music, local pianists, organists, and music teachers. It is our desire that the preparation for these festivals, with the challenge and inspiration of participating in them, will assist Mississippi Baptists in establishing, enlarging and improving the music ministry of their churches.

Please contact us if we can help you in any way. May God bless you as you seek to serve His people by "Sharing the Song of Jesus" through the ministry of church music.

SECTION IV – PROFICIENCIES

If you are in the 10th through 12th grade and are participating in Category IV, it is necessary for you to complete a proficiency each year so that you will have completed all three proficiencies by the 12th grade. **You must register for a different proficiency each year.** When a superior rating is achieved on a proficiency, you have completed it, and it is not repeated. You must pass all three proficiencies with a superior rating in order to be eligible for the college scholarship. If you have completed all of your proficiencies with a superior rating before your 12th grade, it is not necessary to register for one. Please call the festivals coordinator if you are unsure of your proficiency completion status. (Contact information, Page 1)

Sight-reading Proficiency: If you choose this proficiency, you must be prepared to do the following:

1. Sight-read a hymn.
2. Sight-read a choral anthem that has been selected by the festival coordinator. You must be prepared to play the vocal parts OR the accompaniment. There will be NO singing or directing. The judge will decide which you will play, and how much of the anthem you will play.
3. You may have a page turner, no one else may accompany you to the proficiency room.

Accompanying Proficiency: If you choose this proficiency, you must be prepared to do the following:

- Play the accompaniment or vocal parts of an anthem (title below) while a music director leads. NO SINGING.

You may have a page turner. No one else may accompany you to the proficiency room.

The judge will not only determine the amount of this anthem that you will play, but also whether you will play the vocal parts or accompaniment or some of both. Be prepared to start and/or end anywhere in this piece.

This is a piece that you have prepared ahead of the festival. Please bring your own music with you to the festival. It is helpful if you cut apart the anthem and place it in a 3-ring notebook. The judge and group leader are provided music by the keyboard festival coordinator.

Please call the Church Music Office at 601-292-3272 or 601-292-3267 to order the anthem below. Please provide your name, mailing address, and the quantity that you will need. **THERE IS NO CHARGE FOR THIS ANTHEM.**

The judges will determine which of the two you will play.*

SECTION IV – PROFICIENCIES

If you are in the 10th through 12th grade and are participating in Advanced Organ, you must complete a proficiency each year so that you will have completed all three proficiencies by the 12th grade. **You must register for a different proficiency each year.** When a superior rating is achieved on a proficiency, you have completed it. You must pass all three proficiencies with a superior rating in order to be eligible for the college scholarship (see page 10 for other scholarship eligibility requirements). If you have completed all of your proficiencies with a superior rating before your 12th grade, it is not necessary to register for one. Please call the festivals coordinator if you are unsure of your proficiency completion status. (Contact information, Page 1)

Sight-reading Proficiency: If you choose this proficiency, you must be prepared to do the following:

1. Sight-read a hymn. Be prepared to use your pedal.
2. Sight-read a choral anthem that has been selected by the festival coordinator. Pedal will be used on accompaniment.
3. You must be prepared to play the vocal parts or the accompaniment. There will be NO singing or directing. The judge will select which you will play and how much of the anthem you will play.

The participant may have a page turner. No one else may accompany you to the proficiency room.

Accompanying Proficiency: If you choose this proficiency, you must be prepared to do the following:

- Play the accompaniment or vocal parts of an anthem (title below) while a music director leads. NO SINGING.

You may have a page turner. No one else may accompany you to the proficiency room.

The judge will not only determine the amount of this anthem that you will play, but also whether you will play the vocal parts or accompaniment or some of both. Be prepared to start and/or end anywhere in this piece.

This is a piece that you have prepared ahead of the festival. Please bring your own music with you to the festival. It is helpful if you cut apart the anthem and place it in a 3-ring notebook. The judge and group leader are provided music by the keyboard festival coordinator.

Please call the Church Music Office at 601-292-3272 or 601-292-3267 to order the anthem below. Please provide your name, mailing address, and the quantity that you will need. **THERE IS NO CHARGE FOR THIS ANTHEM.**

Rest, Harlan/Williams, ALFRED #32220

MODULATION-TRANSPOSITION PROFICIENCY

1. The participant selects one of the hymns below and prepares it in advance. It is played as it is written. Play the first stanza of the selected hymn, play a short appropriate modulation to the new key, then play the first stanza again maintaining the four-part harmony in the new key. ***Be prepared to modulate each hymn up and down. The judges will determine which of the two you will play.***
2. DO NOT WRITE OUT THE NEW HYMN AND BRING IT TO PLAY AT THE FESTIVAL. This proficiency is not to test your notation ability. It is to evaluate your ability to modulate and transpose. You must play a modulation to the new key.
