Ministry materials: Queen City Mission will provide the Vacation Bible School and Back Yard Bible Club curriculum. Groups are asked to supply materials for games, crafts, block party door prizes, etc. Other material needed will be based upon the mission project the team participates in,

Provide a brief description and purpose of Ministry/Project: Mission opportunities abound in Meridian and Lauderdale County. So, partner with us to share the love of Jesus to those who call the Queen City, "Home." Teams can minister to the homeless, assist a church in their revitalization efforts, work in a soup kitchen, help a church have a VBS, or help repair the home in the underserved community. No matter what projects your team selects for the week, they will serve as Jesus' hands and feet; and they will return home confident that they made a difference in the lives of others.
