INSTRUCTIONS TO JUDGES

for

Children's Bible Drill and Student Bible Drill

Each judge will judge all drillers. There should be a minimum of three judges.

Only mistakes are scored. When a driller makes an error, write the **number** of the mistake in the correct box on the score sheet. Do not use check marks! For example, on call number 8, driller number 2 fails to step out before time is called. This is mistake number 1. Write "1" where vertical column 2 and horizontal row 8 intersect.

Only one mistake can be counted against a driller **on any one call**. However, if two types of mistakes are observed, the number of both should be recorded.

If a driller raises a hand after having stepped out, this indicates the wrong reference or book has been found. This is mistake number two.

Upon completion of the drill, enter the total number of missed calls for each driller at the bottom of the scoring sheet. Please mark a "0" for those who did not make a mistake and hand to drill team leader.

Thank you for giving your time to support children and students in learning God's Word.
