

Sharing God.

Serving others.

**Sharing the
love of Christ.**

Chaplains share the love of Christ to a hurting world. Mississippi Baptist Chaplains are a diverse group of people: men and women, full time and part time, paid and volunteers. Each one has the same goal to serve God as they serve others.

Our membership comes from all areas of chaplaincy – military, correctional, law enforcement, first responder personnel, business and industry, hospitals and other healthcare facilities.

Our purpose is to assist chaplains with constant optimum ideals in pastoral care and to offer members an opportunity for professional growth, communication, and fellowship.

BUSINESS & INDUSTRIAL

From coast to coast, business and industries are arranging for chaplains to provide pastoral care, support, and assistance for their employees. Business and industrial chaplains are Christ's ears, eyes, hands, and heart in the workplace.

DISASTER RELIEF

Few areas of chaplaincy require greater sensitivity and a rapid response to needs than a disaster. Disaster relief chaplains extend the witness and care of the church to people whose lives have been unexpectedly interrupted.

FIRST RESPONDER

When there is a fire or other emergency, firemen and/or other emergency rescue personnel respond. Chaplains serve in fire and rescue departments ministering to the responders, their families, and the public they serve. Chaplains are Christ's presence in an emergency.

HEALTH CARE

Health care chaplains minister in acute care and long-term care hospitals, hospice programs, nursing homes, mental health hospitals, and other health care institutions. They remember the words of Jesus: "I was sick and you looked after me."

LAW ENFORCEMENT

Chaplains in law enforcement offices, in the patrol car, in the officer's home, at the crime or accident scene, and in the jail are meeting the needs of officers and their families, and the persons they are sworn to serve. Chaplains represent Christ on the beat.

MILITARY

Military chaplains literally "go into all the world" as they go with the men and women in our armed forces. Whether active or reserve, these chaplains go where others cannot go as they serve God in uniform.

PRISON

Prison chaplains remind people behind bars that God is still present. They share God's love, grace, and forgiveness with the inmates, their families, and the staff. "I was in prison and you came to visit me."

The Mississippi Baptist Chaplain's Association hosts annual dinners, retreats, and training events.
