

2025 PRAYER GUIDE

JANUARY 12

Mississippi Legislature convenes; Christian Action Commission, Kenny Digby, Executive Director

Pray for the witness of those elected officials who claim to be followers of Christ. Ask the Lord to strengthen their resolve and provide them with the clarity and wisdom needed to identify the right path at every step. Pray for discernment for Dr. Digby to identify even the less obvious key leaders. Pray for the Lord's guidance in creating inroads so that relationships might be developed with those individuals. Pray that all of this will lead to opportunities for Mississippi Baptists to be made aware when critical decisions are being considered.

Romans 13:1 ESV

Let every person be subject to the governing authorities. For there is no authority except from God, and those that exist have been instituted by God.
