## JANUARY 19 Sanctity of Human Life Sunday

President Ronald Reagan issued a presidential proclamation on January 13th, 1984, designating Sunday, January 22, 1984, as National Sanctity of Human Life Day, noting that it was the 11th anniversary of Roe v. Wade, in which the Supreme Court issued a ruling that guaranteed women access to abortion. In the years since some presidents have issued a declaration, and some have not - based on their personal beliefs. Pray that God would be honored and that the unborn would be supernaturally protected.

### *Psalm 139:13-16 ESV*

*For you formed my inward parts; you knitted me together in my mother's womb. I praise you, for I am fearfully and wonderfully made. Wonderful are your works; my soul knows it very well. My frame was not hidden from you, when I was being made in secret, intricately woven in the depths of the earth. Your eyes saw my unformed substance; in your book were written, every one of them, the days that were formed for me, when as yet there was none of them.*
