

2025 PRAYER GUIDE

MARCH 23

Senior Adult Ministry across Mississippi

According to Discipleship/Sunday School Department Director Dwayne Parker, "There are Senior Adult events planned for 2025. Last year, we revamped an event that previously focused on the Senior Adult minister and opened it to all senior adult leadership (paid or volunteer director or committee). The event is called S.A.L.T. (Senior Adult Leadership Training). It was successful, and we hope to see it continue. We also will host Senior Adult Refresh events in May. I am looking forward to Andrew Harper's leadership in this area." Pray for this specific area of ministry.
