

2025 PRAYER GUIDE

April 20 Pray for Pastors (Easter Sunday)

Easter is the heart of the Christian faith. Pastors are usually excited about the expected larger crowds that bring a burst of spring energy. At the same time, Easter often brings added stress to the privilege of pastoring. Additional services require more planning and stamina. Pray for pastors who feel enormous pressure to have their sermons match the greatness of the subject of the RESURRECTION OF JESUS!

*He is not here, for he has risen, as he said. Come, see the place where he lay.
Matthew 28:6 ESV*
