

2025 PRAYER GUIDE

May 18

Pray for Children's Ministry - Children's Ministry Sunday

Children's ministry is a powerful opportunity to form lasting faith in the lives of young people. Yet a majority of children's ministry leaders feel this ministry is often forgotten by their church. A child's spiritual formation should start from home with the influence of the parents. Yet, having them in a children's ministry can also guide them towards God. In children's ministry, we can plant small spiritual seeds in their hearts, and from there, let God grow these seeds to form them into whom He wants them to be. Pray for the children's ministry leaders and volunteers in your church to have the resources and training necessary to guide children toward God. Pray that God will bless and protect children's ministries all across Mississippi.

Train up a child in the way he should go; even when he is old he will not depart from it.

Proverbs 22:6 ESV
