

Global Hunger Relief

## 2025 PRAYER GUIDE

### August 24 Global Hunger Sunday and Food Insecurity in Mississippi

Pray for those facing hunger globally, for everyone who goes to bed with an empty stomach, each child who longs for nourishment, and each parent struggling to provide.

Pray for those who struggle with food insecurity. In our neighborhoods and communities, many face difficult choices between food, shelter, and other basic needs.

Pray for long-term solutions to hunger, both globally and locally. Inspire leaders, policymakers, and communities to address the root causes of food insecurity with wisdom and fairness.

Matthew 25:35 (ESV)

"For I was hungry and you gave me food, I was thirsty and you gave me drink, I was a stranger and you welcomed me."
