

2025 PRAYER GUIDE

November 16

The Baptist Record - Tony Martin, Editor; Megan Young, Associate Editor; Lindsey Williams, Writing Specialist

Pray that our work would reflect the Author of salvation — always pointing to Jesus, always rejoicing with the truth, and always sharing the Good News.

Pray for our endurance and encouragement — that our creativity and motivation will be rooted in our love for the Lord and His work.

Pray for our interviews — that as we collect stories to tell, our conversations will encourage those whom God is using, and that writing their stories down will uplift everyone who reads them.

Psalm 107:2

Let the redeemed of the Lord tell their story —
those he redeemed from the hand of the foe.
